SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT

Sir:

In fulfillment of the requirements of candor and good faith set forth in 37 C.F.R. §1.56, Applicants submit herewith the following Information Disclosure Statement in accordance with the provisions of 37 C.F.R. §1.97 and 1.98. It is understood that the information provided herein is solely for the purpose of fulfilling Applicants' obligations under the law and should not be construed as, nor is it intended to be, an admission of prior art.

The Canadian patent document listed on the enclosed Form PTO-1449 was cited in a communication dated March 1, 2005, from a foreign patent office in connection with a

counterpart foreign application. A copy of an English-language version of the patent document is enclosed. The Canadian patent document is a counterpart of U.S. Patent No. 4,784,659 and of U.S. Patent No. 4,902,290, both of which have previously been considered by the Office.

As this Information Disclosure Statement is being filed before the occurrence of any of the events delineated in 37 C.F.R. §1.97(c), and as the enclosed Canadian patent document is believed to have been first cited in a communication from a foreign patent office in a counterpart foreign application not more than three months before the filing of this Statement, this Statement is believed to be in accordance with 37 C.F.R. §1.97. Accordingly, no fee is deemed to be necessary. However, if a fee is due, please charge Deposit Account No. 08-2461.

If the Examiner has any questions or comments relating to the present application, he or she is respectfully invited to contact the undersigned representative at the telephone number set forth below.

Respectfully submitted,
